Nineteen teachers from Bethel and surrounding towns have participated in the workshop.

## COMMENTS FROM THE TOWN MANAGER'S OFFICE

A school for tax collectors was held in Bangor on Monday and Tuesday of this week. The course covered excise taxes on house trailers, autos, foreign cars, commercial vehicles, tax liens, legal problems, and collection methods. The course was a good refresher for those that have attended several schools in the past and very enlightening to those attending for the first time.

Two thousand feet of State Aid Road has been constructed on Vernon Street at a cost very slightly over \$8,000. The exact cost is not known as there is one bill outstanding that has not been received.

Reminder letters have been sent to all those on whose property the town holds a tax mortgage lien for the year 1959 calling to their attention that the lien expires on Nov. 26th, and that if not paid the property will come into possession of the town. There are currently ten outstanding tax liens for 1959 with total value of \$507.07.

Sincerely,  
Harold L. Bean

## CONRAD - BROWN

Miss Beatrice V. Brown and Cecil Fred Conrad were united in marriage on Friday, July 21, at 2 p. m., at the Tory Hill Congregational Church at Buxton, the Rev. David Smith, performing the double ring ceremony. The couple were attended by Mr. and Mrs. Floyd Hannaford of Bar Mills.

## EASTERN SLOPE AIRPORT OPEN TO PUBLIC NEXT MONDAY-TUESDAY

The Eastern Slope Airport in Fryeburg will be open to the public next Monday and Tuesday, July 31, and August 1, from 6:30 to 8:30 in the evening, in order that people who are unable to attend during those days when the gates are open may enter and drive over the runways. This is an excellent way to view the project and of course cannot be done after opening of the airport.

Mr. and Mrs. Robert Eldredge and daughters, Blanche and Jacquelyn, from Linden, N. J., are spending a few days visiting Mr. and Mrs. Ralph Berry and family.

Nomination papers for the offices of selectman and assessor have been filed by Samuel T. Smith and Robert Warren Hastings. Election will be held on Wednesday, Aug. 9.

Jorgen Olson celebrated his birthday Sunday with a family gathering at Littlefield's Beach, Locke Mills. ## Many New Attractions to Feature Mollyockett Day Events Saturday

Miss Mollyockett of 1961 has been named, but her identity will remain a secret until parade time, 1:30 on Saturday, July 29.

Added attractions to this popular day are an hour of events for children up to 12 years of age, starting at 9:00 a. m. Mrs. Lippitt of the National Training Laboratory and her excellent staff of leaders will conduct the games and events. All children wishing to participate should be present at the fire station by 8:45.

The Bethel Teen Council, sponsored by the Jaycees, have made arrangements to hold a dance throughout the evening at the Community Room. The dance will be open to one and all and admission will be 25 cents.

All kinds of pets may be entered in the Mollyockett Day Pet Show. The entry fee will be 10 cents. Registration of pets will be held at the Pet Show ring at 3:30 and judging will begin at 4 o'clock. Judges will be guests of Bethel Inn. First and second place ribbons will be awarded for best cat, best dog, best other pet, most unusual pet and for best trick.

As a last minute surprise event the Mount Abram Fish and Game Association have been successful in obtaining a supply of trout for the pool on the Common and following the parade a fishing derby will be held for all youngsters who are 12 years of age and under.

(Special note to Stan Fox—Warden Micky Noble plans to watch the pool all night because the fish have to be delivered on Friday.)

Parade at 1:30  
Guests of the Bethel Inn will again be judges of the parade and presentation of awards will be made in front of the Inn. Trophies will be presented to winners of each of the several categories, floats, bikes and doll carriages, etc. If you plan a float or special entry and have not already contacted the Parade Committee please do so immediately, as numbers are assigned to eliminate confusion and expedite arrangements of the parade line. Please call Charlie Farrar or Sonny Saunders during day at VA 4-2740 and at night, VA 4-2030.

Heavy electrical showers have caused considerable damage in the vicinity. Power was interrupted nearly two hours Monday afternoon when a direct hit near the home of Robert Gordon at South Bethel burned off a high tension wire. There was damage to electrical equipment at the Chadbourn mills at South Bethel. The storm also sounded the village fire alarm and caused interruptions in telephone service. No fire damage was reported from several of the lightning hits here. This and other recent storms washed one side of Chapman Street badly, where the new sewer was recently put in and the fill was settling before building a sidewalk and soil cement street.

Mrs. Ivy Bartlett returned home Saturday from the CMG Hospital in Lewiston. She was taken there Wednesday evening after being injured in the eye with a flying dowel at the Hanover Dowel Co.

Mr. and Mrs. William Huddy and three children of Woodstock, N. Y., who have been visiting Mr. and Mrs. Norman Dock and family, returned home Monday. Mrs. Hannah Dock remained for a longer visit.

for emergency hospital expenses, transported several people to clinics and outfitted three families with orthopedic shoes. From the "Loan Closet," the hospital bed has been in use all year and the new collapsible wheel chair is now in use. A clothing drive was made and over fifty trips to the clothing depot have proven the necessity of keeping a goodly supply of all clothing items on hand.

The Council was very successful in promoting the Mobile X-Ray and Diabetic Detection Survey in the area and have organized a Dental Clinic. Arrangements were made for a child to enter the Sweetser Home for Psychiatric Evaluation.

At Thanksgiving time food baskets were delivered and at Christmas time the food baskets were supplemented with clothing and toys.

These are a few of the accomplishments of the Health Council and they are indication enough that a Bazaar such as the Mollyockett Day is a most deserving promotion.

Won't you take part and thereby become a part of the good things that happen in your area? Come to Mollyockett Day—ALL day—and bring the whole family. Everyone will enjoy it.

## LIBRARY TRUSTEES VOTE TO SEEK MONEY FOR BUILDING REPAIRS

The Trustees of the Bethel Library Association held a meeting Tuesday evening at the library to discuss raising the necessary money to repair the library buildings.

During the last few winters ice forming on the eaves has caused considerable damage by letting water work back into the walls. In addition to a new roof, it was reported that painting of the building would also be required.

It was agreed that the Association should raise the money by a direct appeal to the residents of the town and the surrounding community. Like most libraries in Maine, the Bethel Library is owned and run by an Association, the Bethel Association having been organized in 1879. Trustees at the meeting individually pledged over \$120 towards the amount required.

Those present were Rosalind Chapman, Howard Cole, Elsie Davis, Phyllis Dock, Frederick Grover, Ralph Hall, Robert Hastings, Charles Heywood, Louise Lincoln, Faye Taylor, Pearl Tibbets, Florence Thurston, Paul Thurston, Edmond Vachon, Nellie Valentine, Richard Waldron and Mary Chadbourn, librarian.

Read Luke 6:12-12.  
It came to pass in those days, that he went out into a mountain to pray, and continued all night in prayer to God. (Luke 6:12).

The Gospels tell us stories about Jesus seeking the presence of the Father outside the temple doors. In the wilderness He sought God for strength to fight temptation. After a busy day, He prayed in the mountain. At the hour of His greatest need, He went to a secluded garden. Jesus felt that out of doors He could be close to the Father.

During the summer work-camp located on a hilltop, the young people made what they called their "Chapel in the Woods." The walls of the "Chapel" were the foliage and its roof was the open sky. The

campers held their dedication service there. They felt the presence of God in this open chapel.

We, too, can be with the Almighty when we seek Him outdoors. He is always there. He whispers to us through the flowers and birds, through the wind, the rain, and running waters. When we appreciate God's handiwork, we exalt Him and rejoice in His presence.

PRAYER: Under the canopy of the sky, O God, we come to Thee. Teach us to be appreciative of Thy works around us. Teach us to become more aware of Thy presence in the beautiful out of doors. Through Christ, who prayed in the garden, we pray. Amen.

### COUNTRY FLAVOR

#### JULY

Dawns are moist with dew and jeweled cobwebs spangle the lawn. Fog patches hover in the lowlands, and gray mist covers tree-circled woodland ponds. When the first sun rays tip over the horizon and slant to the meadows, drops of dew on clover leaves glisten like pearls in the morning light.

It is difficult to realize that spring's urgency is over, that the summer solstice has occurred, and that Year has started its downhill slide. This is the beginning of the quiet time—a period of hot days and warm

nights—the time of steady pushing toward maturity. The pages make for quiet reading—sometimes punctuated by exclamation points of red spears hurled from black clouds.

Hedges and woodlands are filled with young birds; fledgling crows try uncertain voices in the evergreen grove; and sometimes at high noon a cock pheasant challenges from field's edge. In the brooding quietness of midday, one can hear the whir of hummingbirds in the delphiniums by the kitchen window.

Shorn fields lie brooding in the heat. Each day one can see that the corn has pushed high-

## SONGO POND

Mrs. Ralph Kimball, Corrae, Earlon Keniston is able to be out again after being confined by illness.

Miss Llona Keniston spent the week end at home.

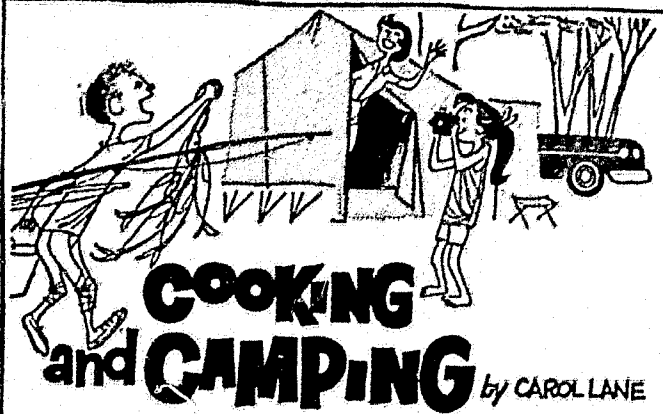

Mass "Peanut" Lapham is visiting in Portland this week.

Mr. and Mrs. Fred Pinkham and children of Hudson, N. H. are spending his vacation here.

Richard Lapham has employment at the Harrison Hotel.

Urbain DeCormier who was overcome by the heat Monday, is able to be out again.

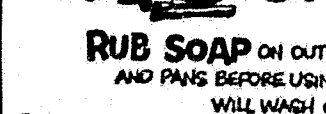

Recent callers at Ralph Kimball's have been Mr. and Mrs. Walter Stearns of Rumford Point, Mr. and Mrs. Neil Merrill, Mr. and Mrs. Alfred Brown and Vivian, Mr. and Mrs. James Brown and Owen, Miss Nancy Merrier, Berlin and Miss Judy Pearson, Milan.

A FAMILY CAMPING VACATION IS TOPS FOR FUN, LEISURE, AND ECONOMY. HERE ARE SOME TIPS TO MAKE CAMP COOKING EASY:

BUILD FIRE BETWEEN PARALLEL LOGS OR IN U-SHAPED STONE ENCLOSURE. KEEP THE FIRE SMALL. SUSPEND BUCKET FOR HOT WATER. TO GET KINDLING AFTER RAIN, SPLIT LOG, CUT DRY WOOD FROM INSIDE.

RUB SOAP ON OUTSIDE OF POTS AND PANS BEFORE USING. SOOT WILL WASH OFF EASIER.

WRAP FOODS, CORN IN ALUMINUM FOIL FOR ROASTING.

TO PROTECT FOOD FROM ANIMALS, HANG IT HIGH, WELL WRAPPED, DON'T LEAVE OPENED FOOD CONTAINERS IN THE CAR; BEARS, RACCOONS CAN SCRATCH IT TRYING TO GET IN.

WHEN BREAKING CAMP, BE SURE FIRE IS OUT-DEAD OUT. SOAK THE ASHES THOROUGHLY.

## HANOVER SEAMAN IN CREW OF USS RANDOLPH

Participating in recovery operations for Air Force Captain Virgil I. Grissom, second U. S. astronaut, while serving aboard the anti-submarine warfare support aircraft carrier USS Randolph operating off the Coast of Florida, was P. A. Roy, signalman apprentice, U. S. N., son of Mr. and Mrs. Maurice E. Roy of Hanover.

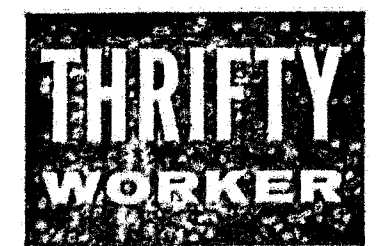

The Navy recovery force, composed of both surface and air units, was deployed down the flight path from Cape Canaveral to the touchdown area northeast of the Grand Bahama Island, and was prepared to recover the spacecraft wherever it landed.

Actual recovery was made by a Marine Corps helicopter which lifted Capt. Grissom out of the water before the untimely sinking of the "Liberty Bell 7" space craft and transported him to the deck of the aircraft carrier USS Randolph, flagship of the down range recovery force headed by Commander, Carrier Division 16.

Capt. Grissom's spacecraft reached a speed of 5,310 mph, 460 mph faster than anticipated, and traveled to a height of approximately 623,040 feet before it made its water landing 305 miles off Cape Canaveral.

Try to do to others as you would have them do to you, and do not be discouraged if they fail sometimes.

—Charles Dickens

## NOW'S THE TIME to save more truck dollars on the more-for-your-dollar trucks!

Your truck dollars are worth a whole lot more at your Chevrolet dealer's right now! First off, you get a head start on saving because summer's the saving season. Then, with a harder working, easier riding Chevy truck, you're set to save every mile you haul. And, finally, at trade-in time, you can expect an extra dividend because of Chevy's traditionally higher resale value. What could be better?

Summer's the season to get extra mileage from your dollars on the trucks built to give you extra miles of hauling. With Independent Front Suspension, Chevrolet trucks keep going thousands of miles longer because far less destructive jar and shake are transmitted through the truck. Chevy I.F.S. trucks work harder, too, in areas where other trucks have to be pampered. And, with Chevy's wide choice of thrifty 6 and hardy V8 power, you can tailor your truck exactly to your job. So how can you miss—especially now during the summer saving season?

## BETHEL MAN RECEIVES

## PROMOTION AT

## OXFORD PAPER COMPANY

Three promotions were announced last week in the wood department of the Oxford Paper Company. John L. Hartman, Jr., of East Rumford was promoted from manager, timberlands and forestry, to assistant general manager, wood department. Claude H. Mackay, Frederickton, N. B., who has been manager, Canadian operations, was promoted to assistant manager, wood procurement. Sumner L. Burgess, Bethel, who was superintendent for Maine rail and long haul truck areas, has been promoted to superintendent, timberlands and forestry.

Mr. Burgess joined Oxford in 1956 as tree farm service forester and in 1959 was promoted to superintendent for Maine rail and long haul truck areas. He is a graduate of the U. of M. with a B. S. degree in forestry. Before joining Oxford he worked with the State of Maine forest service. He served as a first lieutenant with the U. S. Army during World War II.

Mr. and Mrs. Burgess and two sons live in their home on Eden Lane, which they built three years ago. Mrs. Burgess has been a teacher in the primary school the past year and Mr. Burgess is secretary of the Bethel Chamber of Commerce.

Forgiveness ought to be like a cancelled note—torn in two, and burned up, so that it never can be shown against one.

## DRIFTWOOD DISPLAY IN

## SAVINGS BANK WINDOWS

An arrangement of driftwood from the shores of Moosehead Lake displayed in windows of Bethel Savings Bank is giving pleasure to citizens and guests.

With native dried flora, cones, dried fungi and porcelain miniature wild animals, Mrs. Edward Robertson arranged the artistic display. It is a lovely advertisement for the scenic charms of the State of Maine, suggesting breezes in the pine trees and waves lapping the shores.

## SERVICE

Although it is without a price tag, service is a vital part of what we have to sell.

In the production and sale of an increasing variety of printed things, the quality of workmanship is of first importance.

But service consists of much more. Adapting of forms for special needs, economical selection of materials and processes, and delivery when promised are features of "service."

Connections with specialists in many lines enable us to offer unusual services not provided by the general printer. If we can't do the job, or get it done to your satisfaction, we will tell you.
